AICAD ART EXHIBITION 2019

Art and Design Exhibition 2019 (AICAD EXHIBITION 2019) is a multi-discipline exhibition to celebrate professional artists and designers that have skills and creativity in art and design products. The exhibition is also organized as part of the 3rd Asia International Community of Art and Design event (AICAD 2019). Nagoya university of the arts and Faculty of Art and Design Universiti Teknologi MARA (UiTM) Perak, Malaysia are in a collaboration to organize this third exhibition event together. The program serves as a platform to promote contemporary art in asia region as well as other participating countries. Moreover, this art exhibition will encourage the development of modern arts and art interchange relationships.
